

## Product Datasheet

Part Code: ANT-SECT-AP

# 23dBi Depot Antenna

## Key Features

- Works in 5Ghz frequency with 23 dBi gain and 10 degree beam
- Thin lightweight design
- Tilt and swivel galvanised mounting bracket included

## Specifications

Frequency Range	5.1-5.9GHz
Impedance	50 ohms
VSWR (Return Loss)	<1.7:1
Gain	23dBi
Front to back ratio	>40 dB
Polarisation	Single linear, H or V
3 dB Beamwidth Azimuth	10 deg
3 dB Beamwidth Elevation	10 deg
Max. Power Input	30 watts
Connector	N jack
Appearance	UV stabilized ABS plastic
Colour	off white
Size	338mm x 338mm x 43mm
Weight	0.8kg
Operating Temperature	(-45°C to +65°C)
Mount	pole mount, diameter 19mm to 44mm
